KARTHIK IYER

karthik.iyer@example.com | +91 90000 11107 | github.com/karthik-cv-demo

Summary

Computer vision enthusiast working with deep learning models.

Skills

Python, PyTorch, OpenCV, Deep Learning, NumPy, Matplotlib, Git

Experience

Computer Vision Intern - Visionary Robotics (fictional) Jan 2024 - Jun 2024
- Trained YOLO object detectors in PyTorch for warehouse robots
- Wrote OpenCV pre-processing for camera feeds

Education

B.Tech Electronics and Communication, Demo University, 2025

Projects

- Traffic sign recognition with CNNs
